**Re: The Life Saving Operation on our Golden Retriever Chupa**  
West 11<sup>th</sup> Avenue, Vancouver BC

**Kevin:**

I just wanted to take this opportunity to thank you, Dr. Andersen, and all your staff for the kindness and attention you showed our golden retriever Chupa during and after his operation last spring when he had his spleen removed.

There's no doubt his life has been much prolonged and it's given he and the rest of our family a great deal of pleasure and joy in the time since.

Your concern and attention to his needs prior to the operation, and the care and warmth you showed him afterwards were very much appreciated. It's a stressful time and you made it easier in every way so I really felt I wanted to thank you again.

Thank you Priscilla, Kaylie, Danielle, Simona, Carolyn and Elaine.  
Hope I got it right and didn't miss anyone.

And hopefully now the Canucks will win the Stanley Cup.....

Sincerely,
